The power of football!

Nelson Bays Football and Tasman United are proud to announce a partnership that could change the whole football environment in the Top of the South Island.

NBF has been approved as a community partner and benefactor of NextGen Energy, a new and unique Electricity supply company who are operating on a "not for profit" basis in our region. Check them out at <http://nextgen.energy>

What do you have to do?

- It's simple... just sign up as a NextGen customer and enjoy lower power costs for your household or business (with no price increases guaranteed for 3 years).

What does Football get?

- NextGen will establish a fund from profits which will benefit charitable and not for profit organisations, and NBF will be able to apply for a grant from them to subsidise costs of football in the region.
- A royalty in relation to every single account will be paid to NBF.

Having worked with the company already, we know it saves you money! And we encourage all those who want the sport to grow and provide further opportunities for our younger players to sign across their electricity supply to NextGen. Either switch online at the NextGen website, or contact Clive Beaumont at Nelson Bays Football on 03 547 5600 for more information.

General Manager's Report...

Welcome along again to Saxton Field for today's match against Team Wellington. We're enjoying the 'intimate' feel of the ground and the facilities here are excellent. On behalf of the players and committee of Tasman United, we hope you enjoy a great game of football today.

Last week's 4 - 4 draw against Hamilton Wanderers was certainly a more positive attacking style of play for the boys, and one we know the fans really enjoyed, but they want to do better to ensure they protect their leads at home and secure those wins. We know today will be a tough game against last year's champions, but everyone is determined to put on a great show and give everything they have. And as we've seen over the past couple of weeks, the results in this year's league are always interesting.

As always, I'd like to take this opportunity to thank all those behind the scenes that make these home games so special, and the work undertaken by the TASMAN United committee to ensure the viability and sustainability of the club cannot be underestimated.

I acknowledge our sponsors, for without their support we cannot do what we are doing, and the goodwill extended by our major sponsors, I hope, is appreciated across the region. Our major sponsors Nelson Pine LVL, Sprig and Fern Brewery and Bayleys, deserve the full support of this community in their business endeavours as they show such support to community teams like Tasman United. But that is not to forget our other sponsors who are also deserving of mention; Football Unlimited, Plus4 Insurance, Absolute Energy, NZME, NextGen Energy, Bowater Honda, BMG, BCM, The Sign Shop, Kahurangi Estate, Nelson Golf Club, Hamish Fletcher Lawyers, Nelson Weekly, Nelson College, Scott Construction and Waimea Print Express, who all contribute to the cause wholeheartedly and considerably.

There are also the team partner businesses, who help immensely with the well-being of the squad, who also need a mention today - USL Medical, Telfers Electrical, Dutch Rusk Ltd, Powerade, Domino's Pizza, Snap Fitness, McDonald's Richmond, and Subway. Thank you for all your support.

A warm welcome is extended to our visitors from Team Wellington today, I know they will appreciate the facilities and home team hospitality either side of the game.

Please enjoy, and Go Tasman!!

Clive Beaumont, General Manager

Coach's comments...

Welcome to Team Wellington today, and also to our supporters. It's another big game, as they all seem to be at this stage of the season. Jose's team has been playing some very attractive football and they are more than worthy of being at the top of the leader board.

We are still finding our feet after the Christmas break, and judging by last Sunday's performance and result, we are not too far off where we need to be. However, we still have plenty of room for improvement and this needs to be done sooner rather than later because there are not many games left to play this season.

Team Wellington will be a big challenge for us today, and as the defending champions, they are always the favourites wherever they play. Having said that, we will do whatever we can to put in a good performance and to achieve our goals set for this game.

As always, the team and myself greatly appreciate your support every week.

All the best to both teams today, and please enjoy yourselves.

Regards, Davor Tavich (Head Coach)

Farewell and Thanks Robbie...

Last week we said farewell to Robbie Pearson, who has headed back to the UK after a season and a half at Tasman United. We'll miss Robbie and on behalf of everyone in the footballing community, we wish him all the very best – and hopefully we'll see him back here one day.

About our visitors...

Team Wellington FC was formed in 2004 by a consortium of Wellington clubs to compete in the NZ Football Championship. In the inaugural season (2004/2005), they performed below expectations, Finishing sixth. They improved in the next season, ending in fourth place.

In March 2016, Team Wellington won their first ever premiership title. Having Finished in third in the regular season, they beat Hawkes Bay United in the Semi-final, before beating Auckland City 4 – 2 in the final.

Team Wellington won back to back league titles in 2017, dispatching Waitakere United on penalties after an enthralling 6 – 6 draw in the semi-final, before Beating Auckland City 2 – 1 in the final at QBE Stadium in Albany.
