## Members Opportunity...

### The power of football!

Nelson Bays Football and Tasman United are proud to announce a partnership that could change the whole football environment in the Top of the South Island.

NBF has been approved as a community partner and benefactor of NextGen Energy, a new and unique Electricity supply company who are operating on a "not for profit" basis in our region. Check them out at <http://nextgen.energy>

#### What do you have to do?

- It's simple... just sign up as a NextGen customer and enjoy lower power costs for your household or business (with no price increases guaranteed for 3 years).

#### What does Football get?

- NextGen will establish a fund from profits which will benefit charitable and not for profit organisations, and NBF will be able to apply for a grant from them to subsidise costs of football in the region.
- A royalty in relation to every single account will be paid to NBF.

Having worked with the company already, we know it saves you money! And we encourage all those who want the sport to grow and provide further opportunities for our younger players to sign across their electricity supply to NextGen. Either switch online at the NextGen website, or contact Clive Beaumont at Nelson Bays Football on 03 547 5600 for more information.

## General Manager's Report...

Today is the first of our remaining 4 home games to be held at Saxton Field. The council have done a good job getting the pitch up to National League standards, and the Nelson Suburbs Football clubrooms and facilities are also of a very high standard. I warmly welcome you on behalf of the players and committee of Tasman United, and hope you enjoy a great game of football.

Last week's result didn't go to plan, but I know the boys are determined to make amends today and are focused on securing the 3 points so they don't fall any further behind the play-off positions.

As always, I'd like to take this opportunity to thank all those behind the scenes that make these home games so special, and the work undertaken by the TASMAN United committee to ensure the viability and sustainability of the club cannot be underestimated.

I acknowledge our sponsors, for without their support we cannot do what we are doing, and the goodwill extended by our major sponsors, I hope, is appreciated across the region. Our major sponsors Nelson Pine LVL, Sprig and Fern Brewery and Bayleys, deserve the full support of this community in their business endeavours as they show such support to community teams like Tasman United. But that is not to forget our other sponsors who are also deserving of mention; Football Unlimited, Plus4 Insurance, Absolute Energy, NZME, NextGen Energy, Bowater Honda, BMG, BCM, The Sign Shop, Kahurangi Estate, Nelson Golf Club, Hamish Fletcher Lawyers, Nelson Weekly, Nelson College, Scott Construction and Waimea Print Express, who all contribute to the cause wholeheartedly and considerably.

There are also the team partner businesses, who help immensely with the well-being of the squad, who also need a mention today - USL Medical, Telfers Electrical, Dutch Rusk Ltd, Powerade, Domino's Pizza, Snap Fitness, McDonald's Richmond, and Subway. Thank you for all your support.

A warm welcome is extended to our visitors from Hamilton Wanderers today, I know they will appreciate the facilities and home team hospitality either side of the game.

Please enjoy, and Go Tasman!!

Clive Beaumont  
General Manager

## Coach's comments...

A warm welcome to Ricki, and his players and staff from Hamilton Wanderers.

It is evident that they are a much-improved team and will be a very dangerous opponent to us this weekend.

We are hurting, there is no doubt about it, and I'd like to apologise to our great supporters and everybody involved with the franchise for our performance against Canterbury. We know we are better than that, but we have to make sure that we play at our upmost best every game, which obviously wasn't the case last weekend! I know the players will do all they possibly can to get a result this weekend and show the quality and the character of this squad.

Your support is respected and appreciated, and now our challenge is to show that we are worthy of it.

All the best to both teams today, and please enjoy yourselves.

Regards, Davor Tavich (Head Coach)

## About our visitors...

Hamilton Wanderers is an amateur football club, one of Hamilton's oldest, and continues to be proud of its foundations which began in 1913. They are based at Porritt Stadium, Crosby Road, Hamilton, and have strong community ties. They're a family based club with a number of families now sporting three generations of currently active members.

Hamilton Wanderers provides a pathway for players, from junior teams through to youth teams and then on to senior levels. Many top-level footballers have been through their pathway, including All Whites Chris Wood, Marco Rojas, and Logan Rogerson, all of whom have developed as youth players with the club.

Ricki Herbert, former All Whites coach was appointed as their National League Coach for the 2017-18 season.
